

Site Rules

Site rules will be as follows. Any player who fails to adhere to these rules and the instructions of the Marshalls will be removed from the Play Zone. Please note, this list will evolve and is not exhaustive.

- Airsoft Replicas MUST be provided by Special Ops Airsoft or fps tested before play commences.
- All single use pyro MUST be supplied by Special Ops Airsoft.
- Eye protection MUST be worn at all times when outside of the Safe Zone
- FOLLOW EXIT PROCEDURE (remove magazine from gun, fire a couple of shots to clear your weapon BEFORE entering the Safe Zone)
- NO BLIND FIRING (blind firing is when you cannot see the target and you are blindly firing over an obstacle, bunker or round a corner)
- NO CHEAT CALLING (Cheat calling is telling/shouting at other players that they are breaking the rules, these issues will be dealt with by a Marshall)
- NO OVERSLAYING (it only takes 1 BB to slay someone in the game, you do not need to hose them at close range)
- A "knife kill" will be called on anything closer than 5m. First to call will win the battle.
- Do not climb trees or the outside of buildings as we cannot guarantee the structural integrity of what you are climbing on
- **BE HONEST** (Take your hits; if in doubt call hit, Airsoft is a game of honesty.)
- FPS is max 350 on auto weapons. 500fps on single shot weapons (Sniper, pistol and spring) Minimum range 30m.
- RESPECT OUR MARSHALLS (they have the final word)
- RESPECT EACH OTHER
- PLAY FAIR, PLAY SAFE
- ENJOY YOUR GAME!
